

The Chief

1978

To my Twin Bro.

5-16-79
#

Anthony,
You are a very nice
person to have to be a brother.
And I hope you go far in life.
I believe you will. I know we
argue sometimes but we have had a
lot of laughs together. When I had a
problem I could come to you to help
me out with them. When I am sad all
I have to do is to go around you
cause you would make me smile for
again. What else could you ask for
from a dear sweet brother. In
a way I am glad you come out 5 min.
after I did (smile). But you are not
never told you this. Just me. I hope
is, and you mean a brother (twin bro) that
and pray that nothing will ever
come between us where we are
close I love you like we are
now. I haven't ever told
you that I did ever told
Ammette
Anthony

Love you
Ammette

As the school year comes to a close, memories which once seemed so fresh begin to fade away. The annual staff has tried to capture the essence and spirit of the past year to help you remember its many events. We hope that you enjoy our "Reflections" of 1977-78.

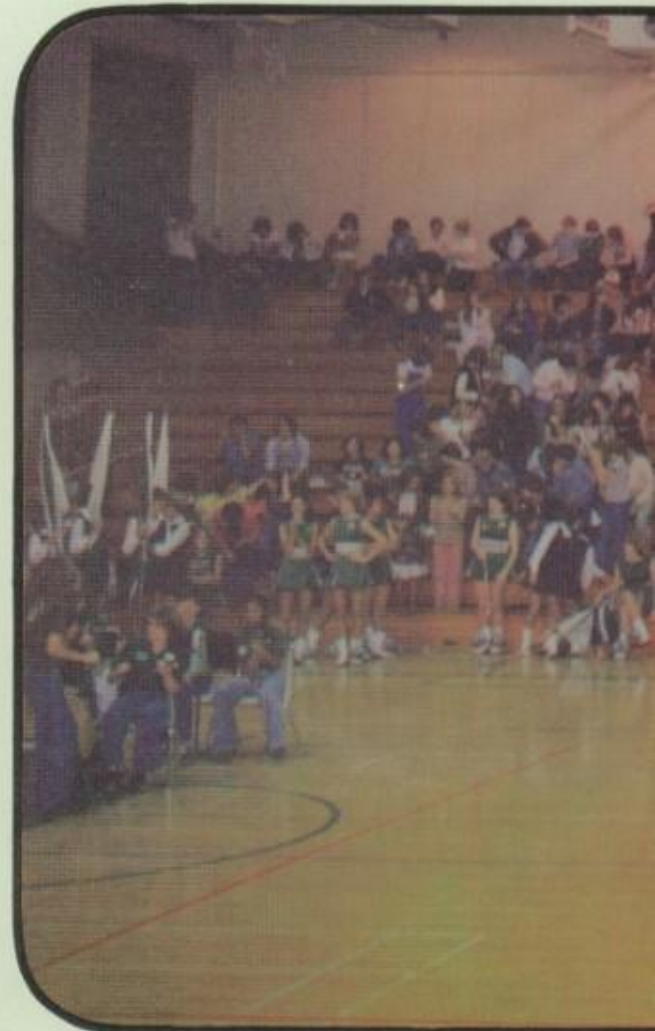

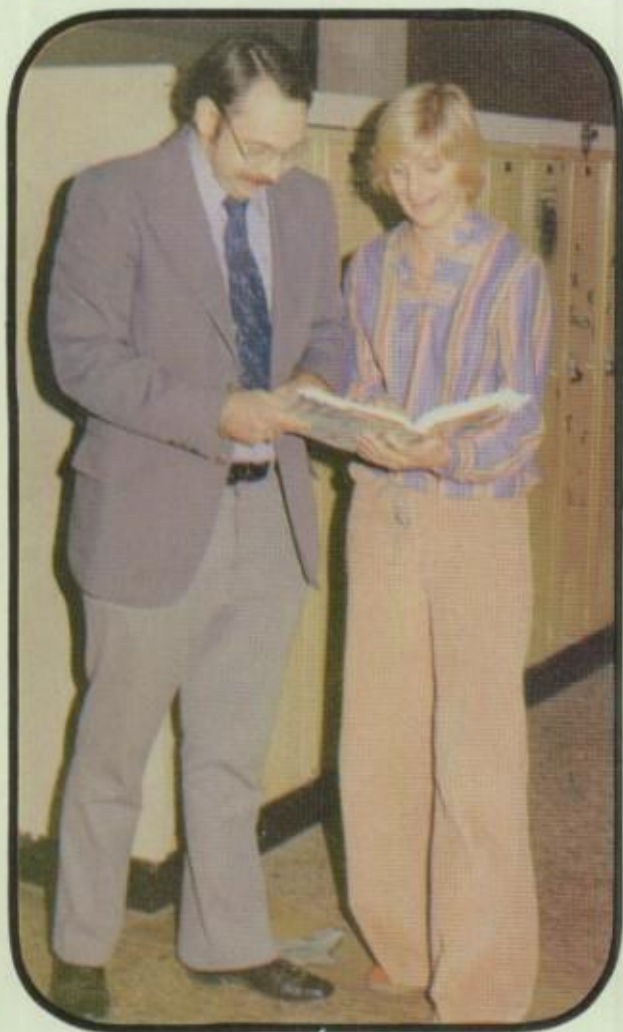

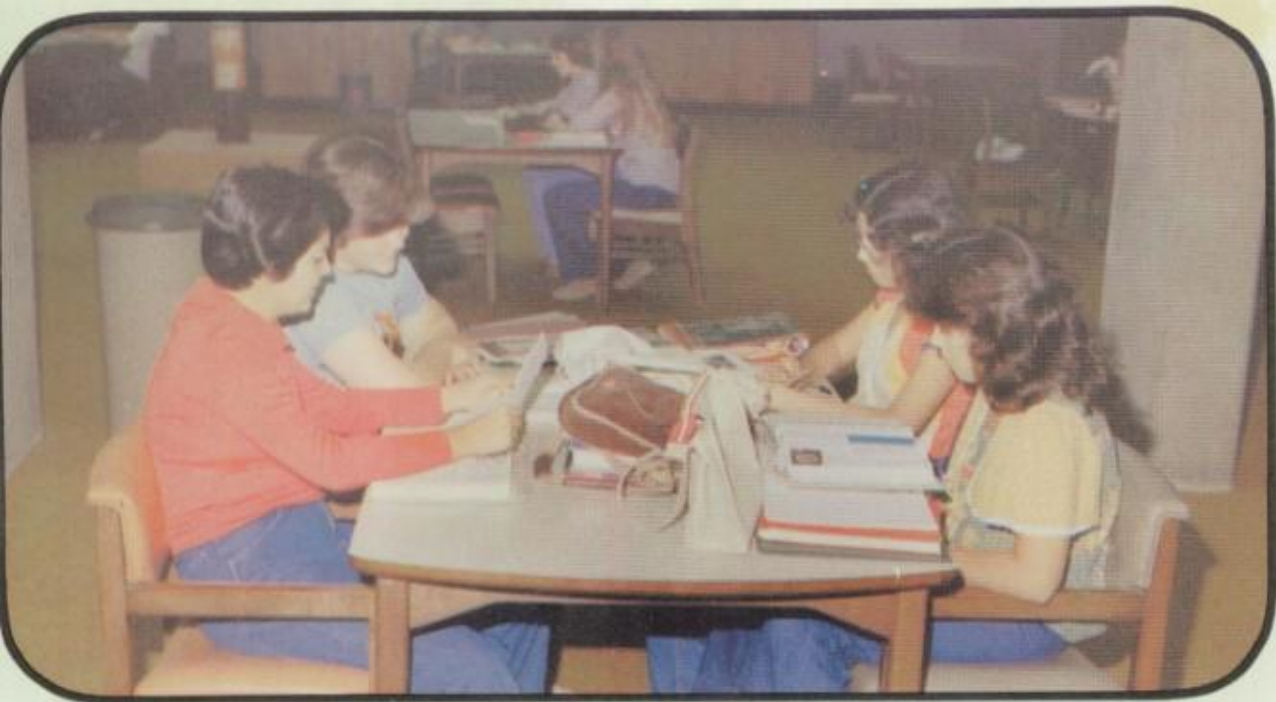

Dedication

Versatility is one of the most important qualities of a teacher. During your many years of service at Waxahachie High School, you have served as coach, teacher, counselor, and friend. You have always been willing to help students with any problems they have and to lend a hand whenever an unexpected emergency arises. It is with the utmost gratitude and pride that we dedicate the 1978 CHIEF to you, MR. EUGENE HEAD.

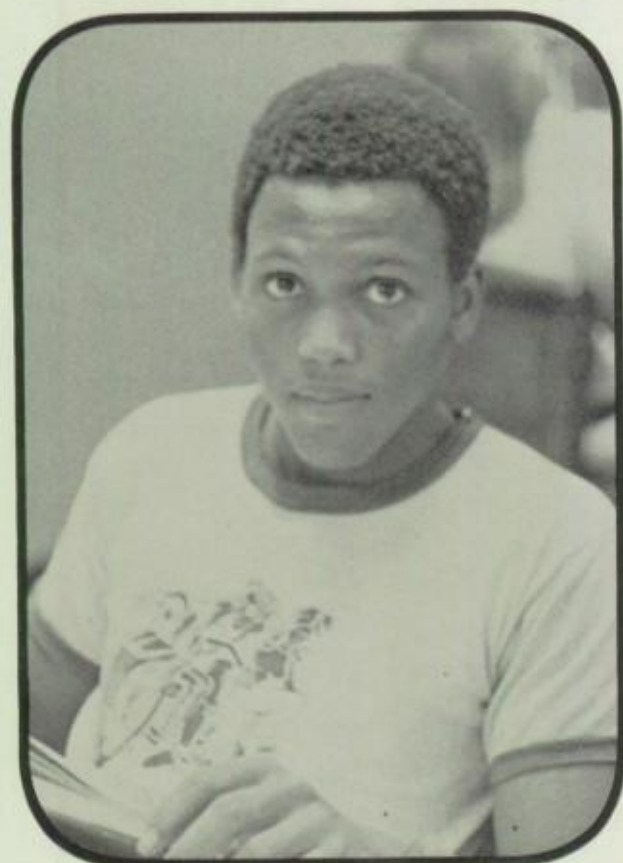

*The faces of Waxahachie High
School reflect a variety of
thoughts; yet, they show that
although we are different, we
have a common denominator-each other.*

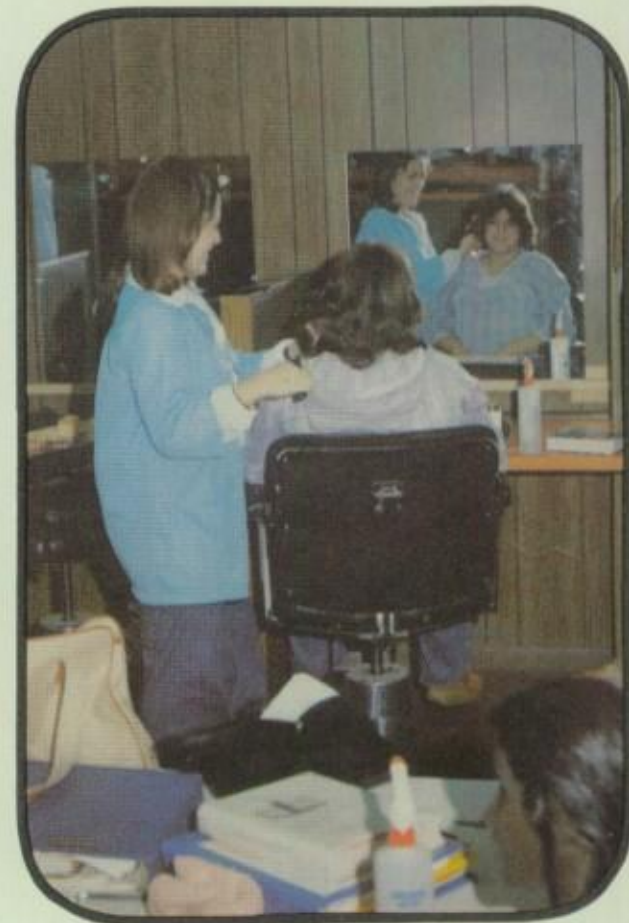

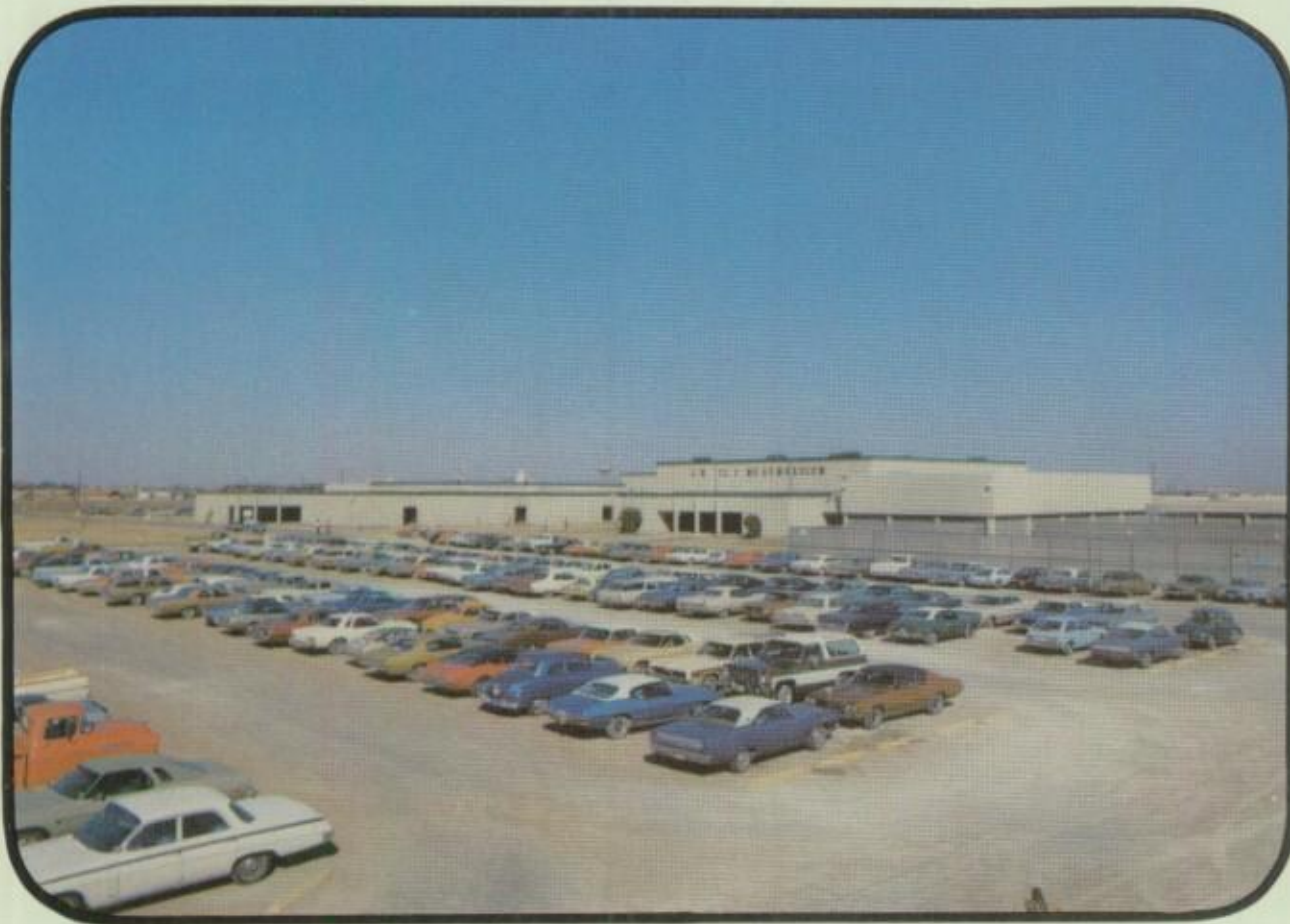

Each individual must reflect his own image. That image can be expressed through being participants or spectators, leaders or followers, givers or receivers, dreamers or doers, as well as through conversation or solitude.

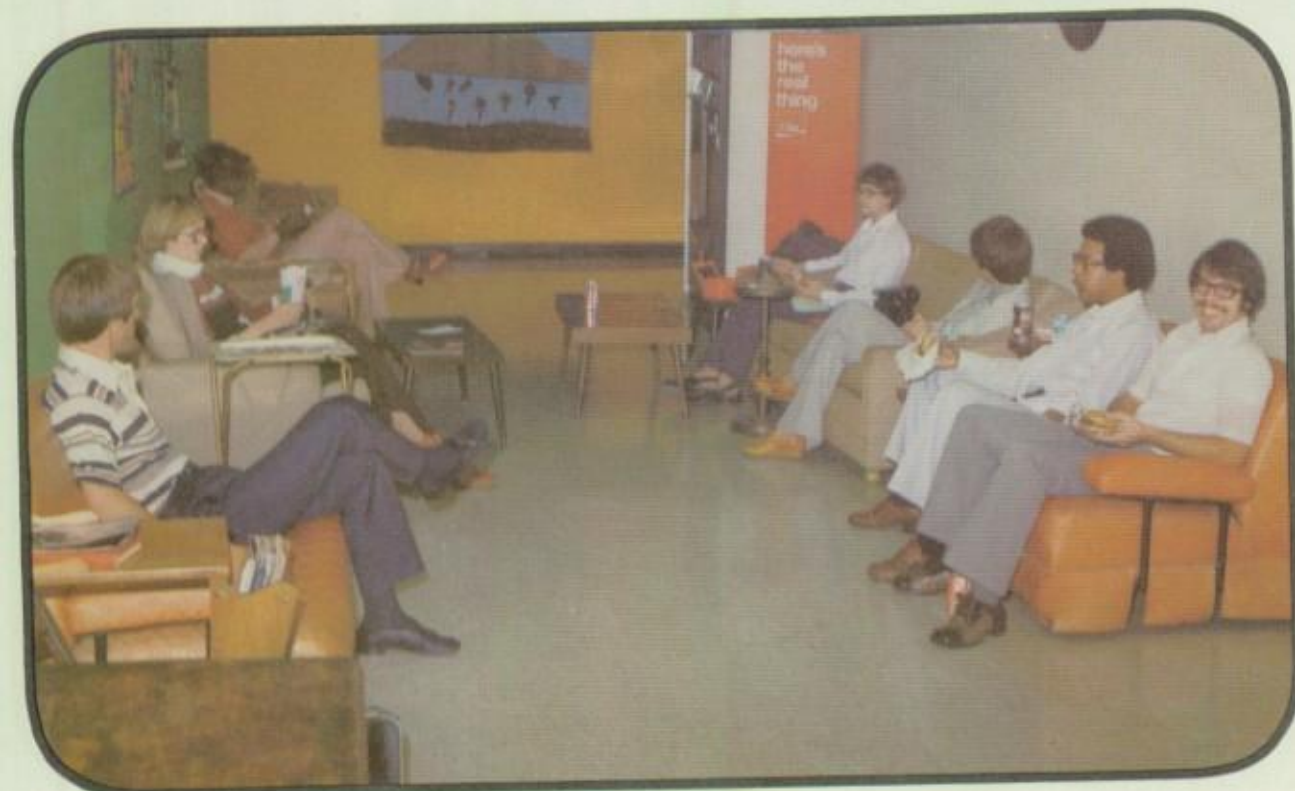

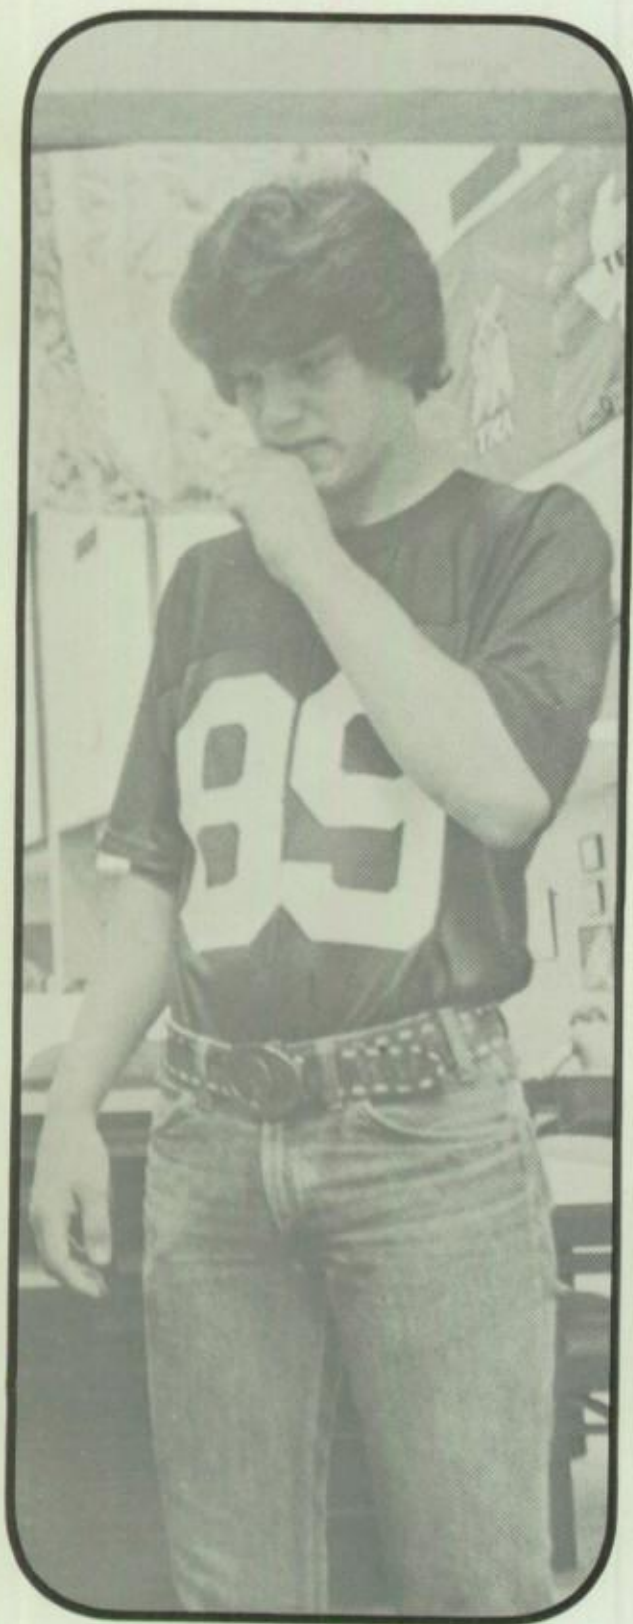

*A reflection is like a series of dreams.
The good ones stay within the mind
forever, while the bad ones slowly
fade away.*

*A reflection is like
an inner self that
only comes forth
before you when you
wish.*

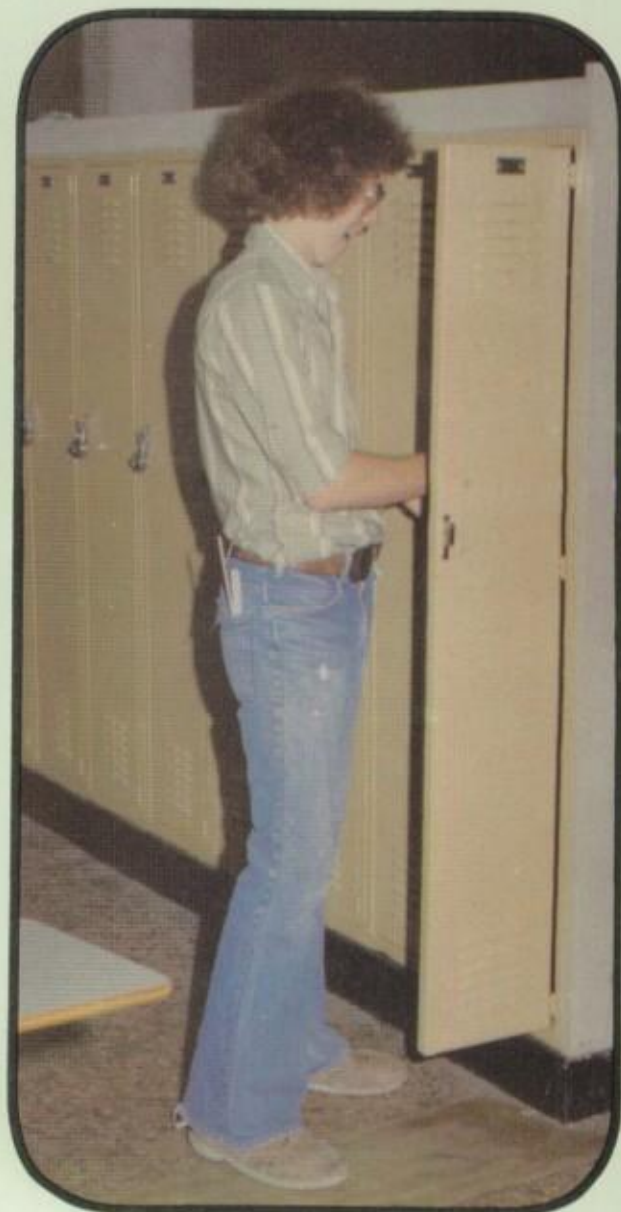

A reflection is like staring at a sandcastle on the beach. Though the water may soon wash it away, the memory of the figure lingers on.

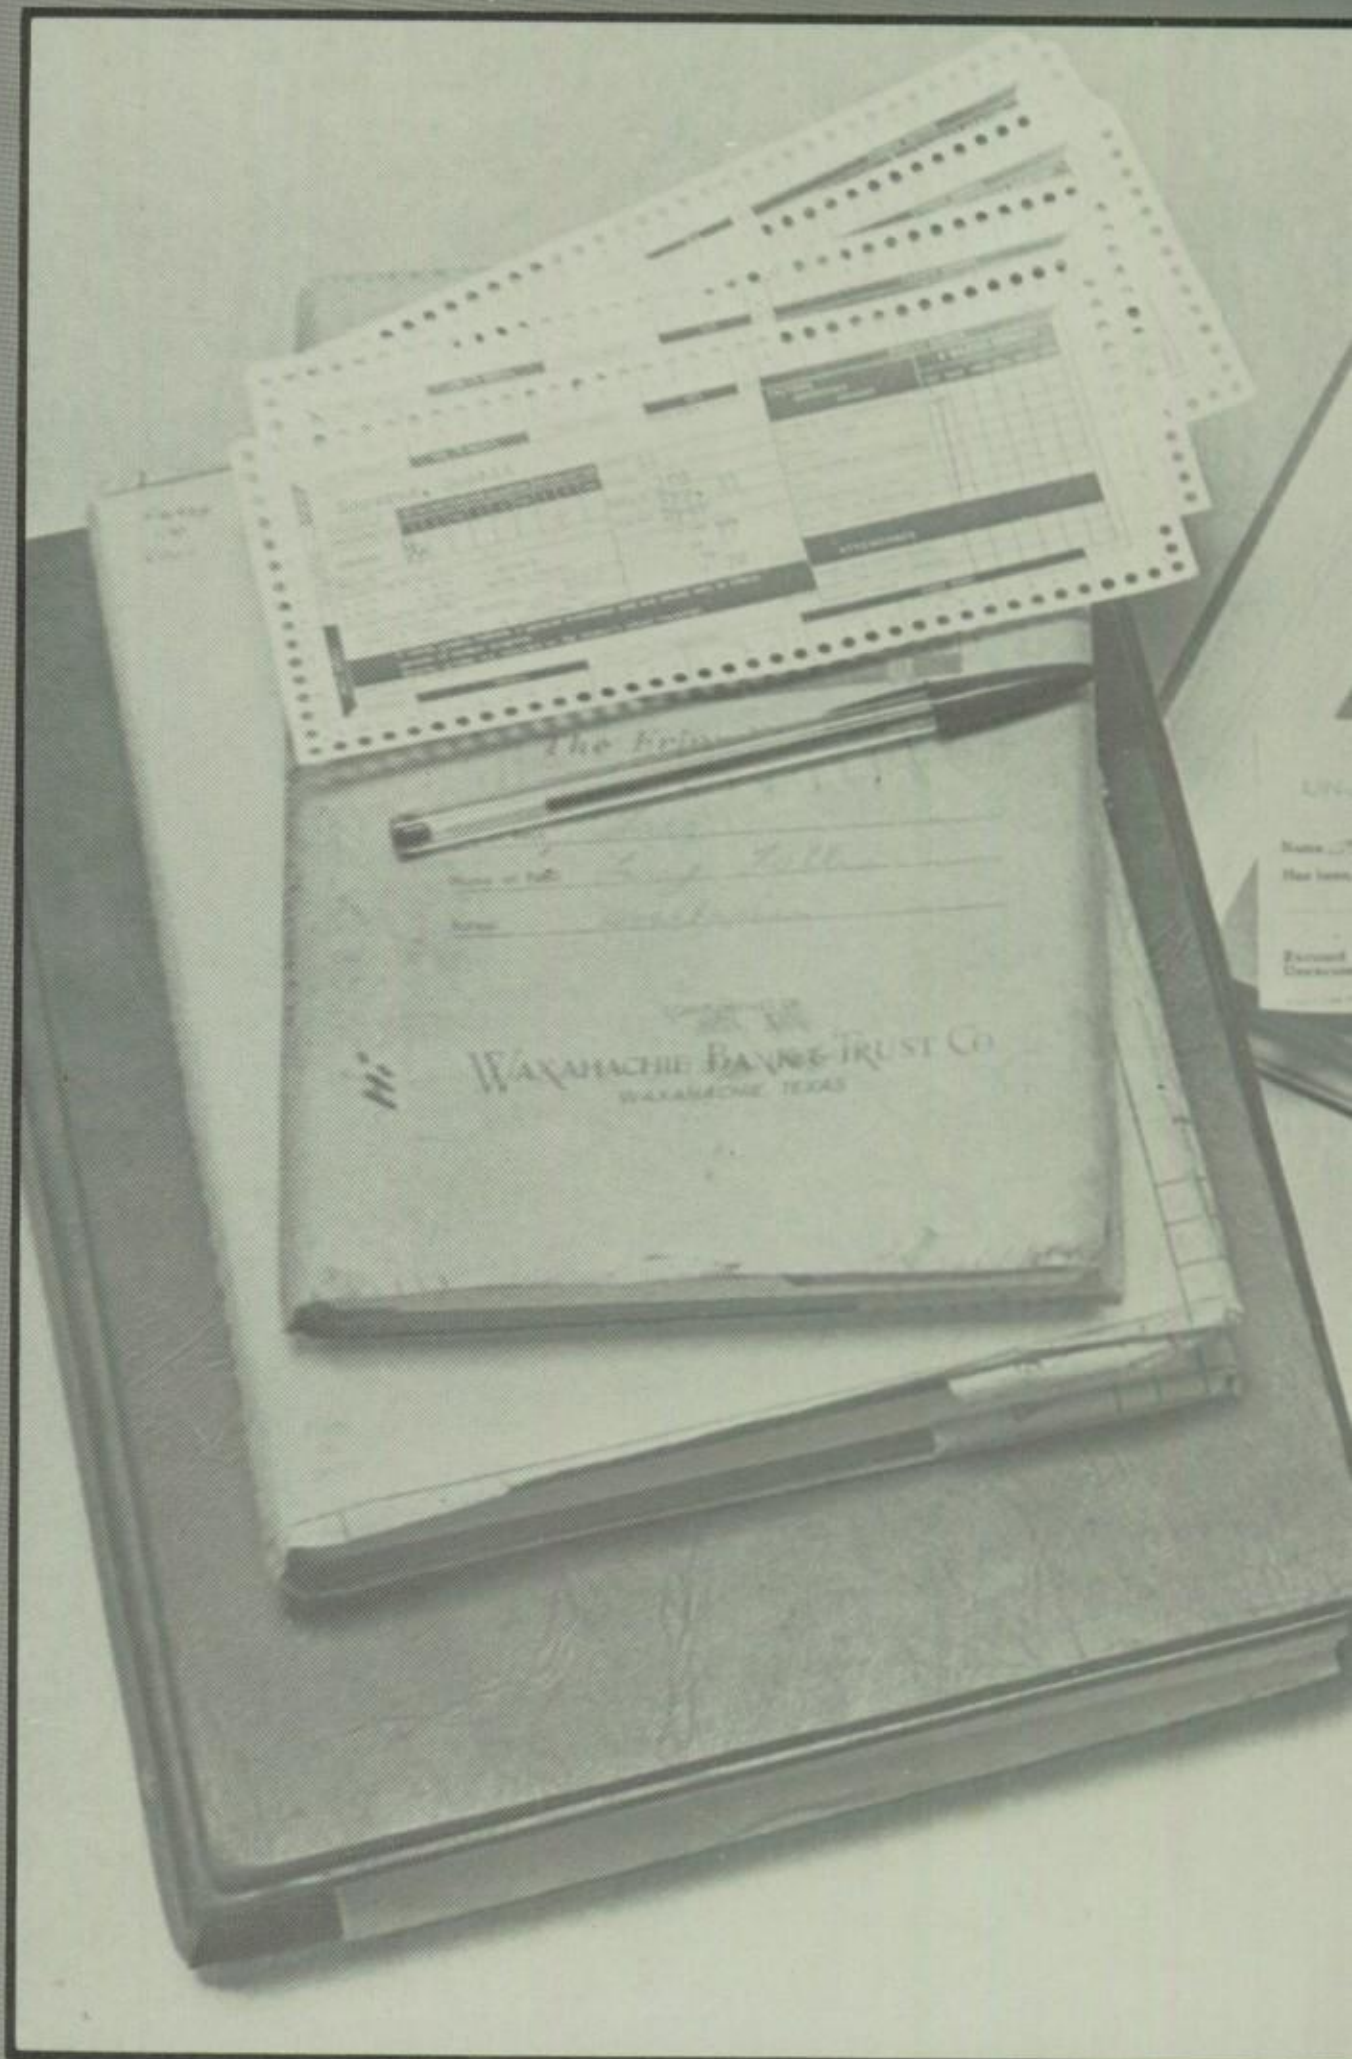

*A reflection is a
picture of the past ...
An image of the
future.*

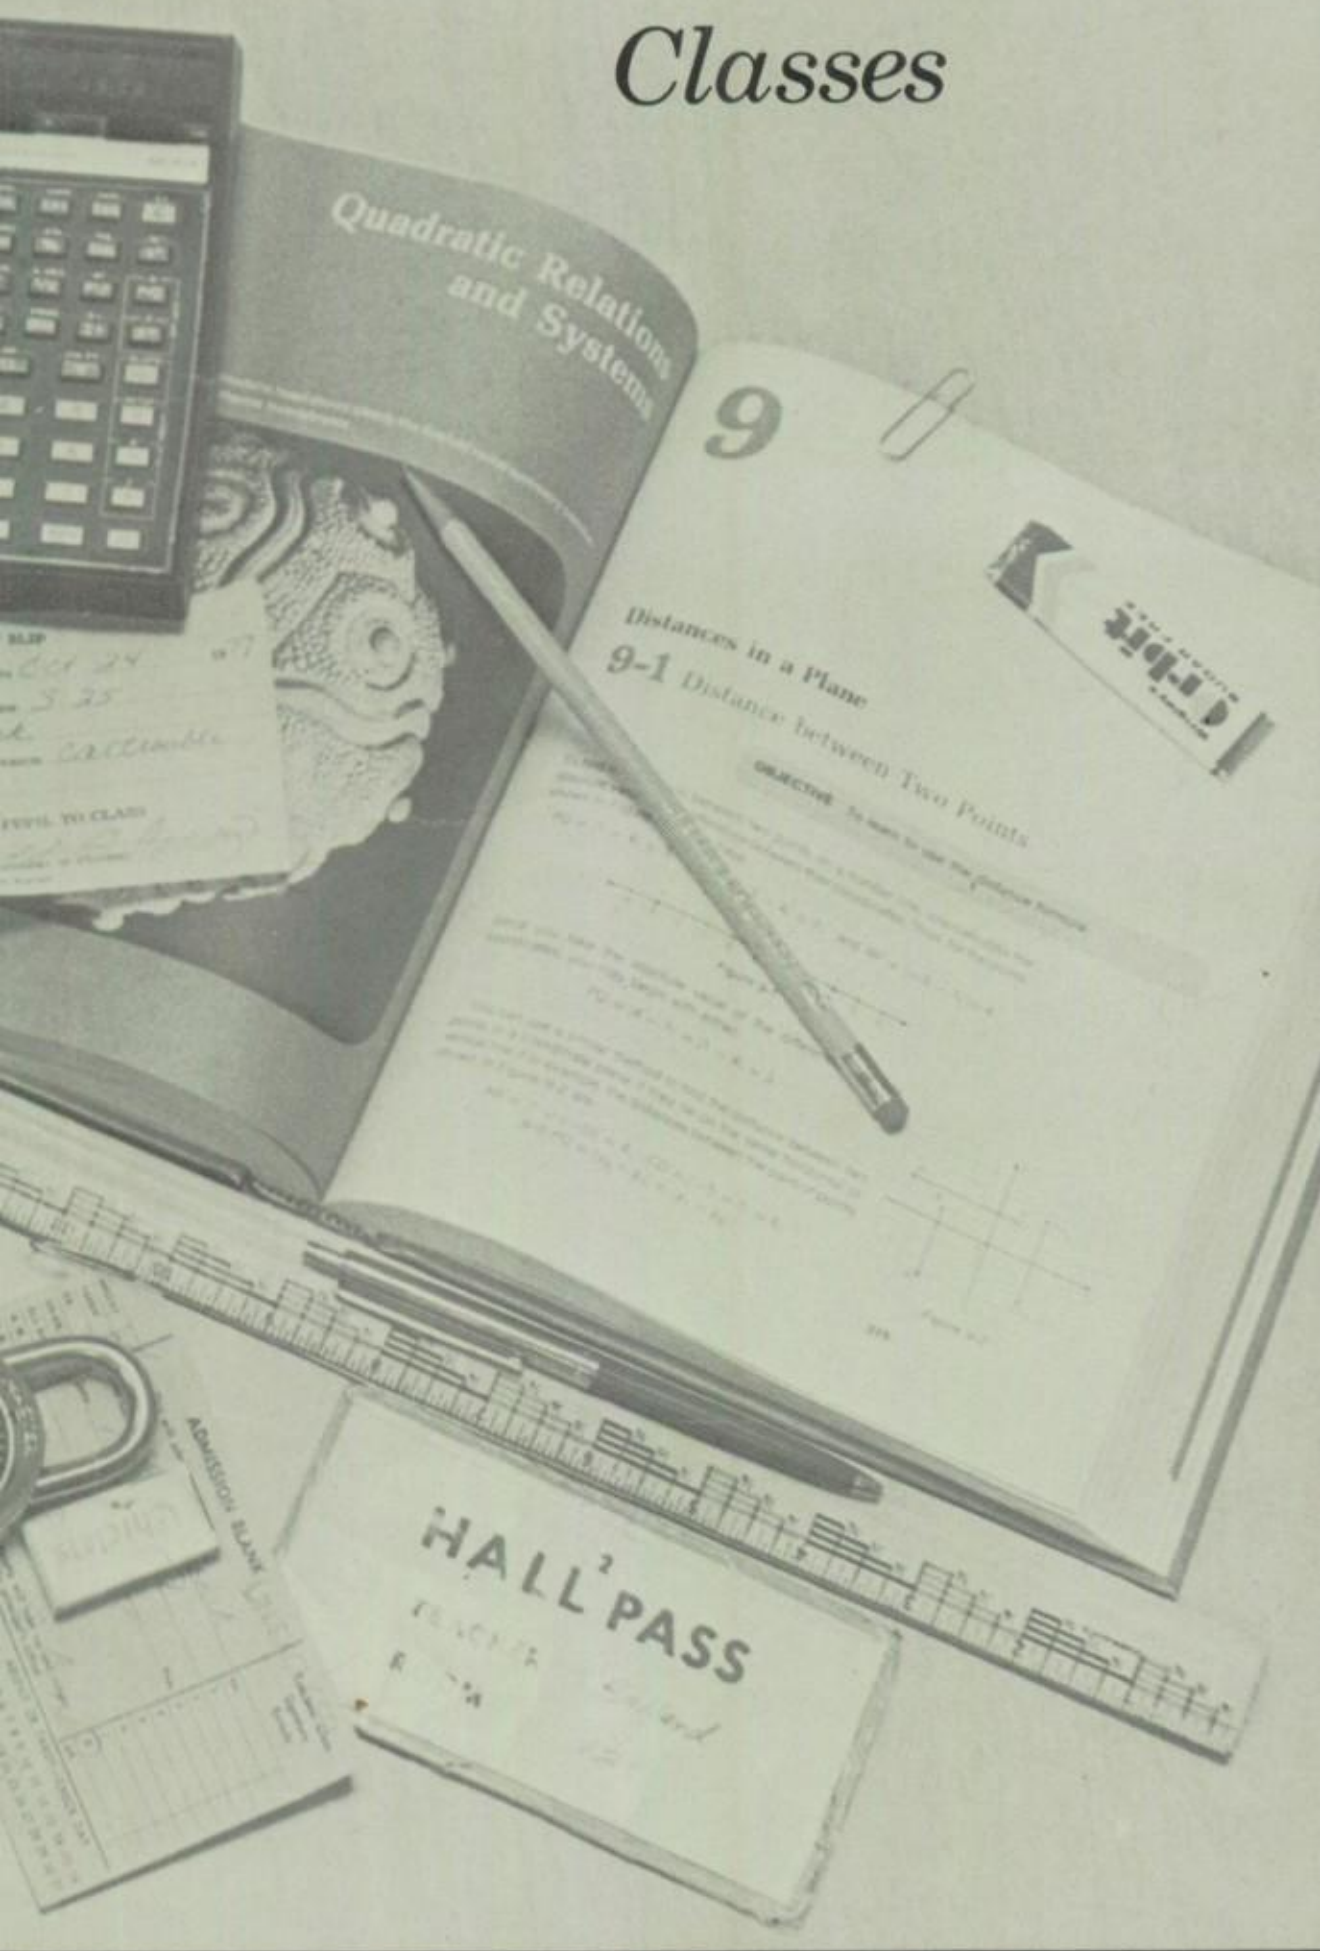

As we learn from the past, we improve the present for a more rewarding future. We need contemplation—a time to reflect on memories, good and bad, joyous and melancholy. As we take account of a school year, horizons broaden for a brighter future. Reflections brighten all eternity.

Varsity Tribe

"The 1977 football season was an immense accomplishment for the MEAN GREEN." The season began with a remarkable victory over the Gainesville Leopards, with the Leopards being 2nd in state. This defeat led the Waxahachie Indians to the eleventh rank in state. As the season proceeded into October, many victories were achieved. The Indians now had a 5-0 record with still half the season remaining. On October 14, an upset to all Indian fans occurred, when the Indians were defeated by the Ennis Lions. After this defeat, the Indians hoped for victories in the following four games. A victory was achieved for the Waxahachie Indians against Lancaster, but with the McKinney Lions upsetting the Indians in the next game, the Mean Green finished the season with two additional victories.

After a super year, the Indians tied with three other opposing teams for the All District Title. But still, it all amounted to "a flip of the coin." The surprised Gainesville Leopards won the title of All District Champs on the first flip, leaving the Indians being District Co-Champs. We all agree this was an outstanding year. CONGRATULATIONS ON A WINNING SEASON!!!!

Basketball Team Makes Strong Impression

With both youth and inexperience to deal with, the WHS basketball team made an impressive record. Many people thought of this team as the team of the future, but our team proved themselves to be a team who was aggressive and exciting in 1977-78. They gave us many unbelievably good games, and never quit fighting irregardless of the opponent. They were in the race all the way.

With every single member of this fine team returning, we look forward with anticipation to the season next year.

Cheerleaders Win Awards

Spirit begins with spirited leaders. One of this year's happiest reflections for our cheerleaders is that, while at camp, the girls won a superior ribbon each of the five days and also brought home a spirit stick. They placed third in a field of 60 schools with two Dallas schools placing ahead of them. The CHIEF staff congratulates these lively, spirited students for bringing this honor to themselves and to WHS. The cheerleader sponsor for this year is Miss Davis. We express thanks to her for her leadership and guidance in working with this most important group of girls.

Annual Staff

Producing an annual requires an incredible amount of work, time, patience, and energy. Taking pictures, writing copy, drawing layouts, and trying to meet deadlines are all familiar problems to anyone who has been an annual staff member. Our happiest moment, however, is the day when we can proudly present the annual to the WHS student body and faculty. This moment makes all our bad memories fade away and makes all our efforts worthwhile.

Speech & Drama Sets a New Scene

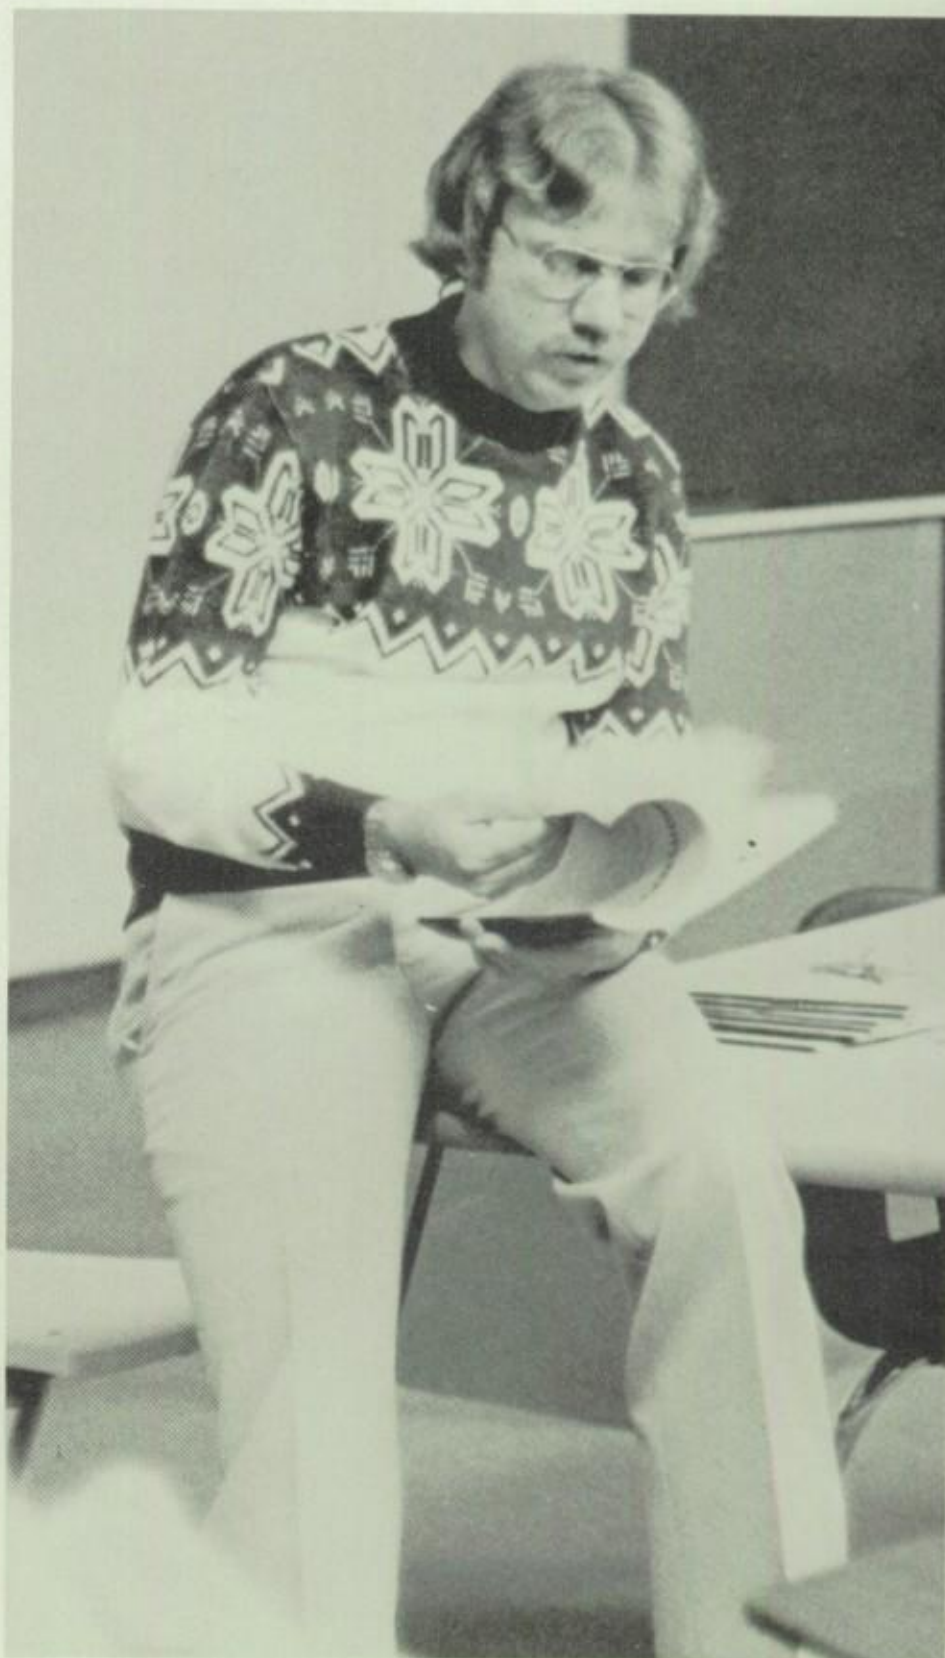

Under the leadership of our new speech and drama teacher, Mr. Larry Horn, the department has taken on a new vitality and outlook. Next year the department will offer classes in speech, drama, and debate. Mr. Horn will also lend his talents to the English 410 team.

In addition, the department will produce a major drama production, a night of one-act plays, and a musical production.

As the department expands, the drama club will be participating in UIL competitions and school-sponsored contests.

We look forward with great excitement to the creative activities in which we will have a part.

The present members of the Speech-Drama Club are: Donald McAtee, Jeanette Conant, Ann Land, Alan Alexander, Tony Gorman, Vicki Ring, Charles Mangan, Randy Vessels, Bevelyn Barr, Gena Jeter, Lisa Shinpaugh, Monte James, Eugene Praslicka, Bobby Luckie, Sharon English, Amy Alderdice, Ron Shumate, Laurie Adkisson, Kyle Bowler, Kelly Jackson, Jamie Woods, Tracy Fuller, Kathy Bruton, Christine Cox, Monte Littlejohn, Jerry Miller, Helen Davis, Ricky Don Sargent, Ken McDaniel, Randy Mayes, Liz Self, Georgia Howe, Cheryl Kinkaid, Joanne Kinkaid, Kathy Kauffman, James Robinson, Steve Ledbetter, Kay Pruitt, Karen Snell, Lois Wood, Stuart Dorsey, and Verida Hayes.

Waxahachie High School has an enrollment of 1,110 students. Our school offers opportunities to students in many different areas. We have both a strong academic school, and a fine vocational school. Students can prepare themselves for either a vocation or college entrance.

We work hard at WHS in our classes, but we have a lot of fun together. The following pages are of you—the students and faculty of WHS—as you shared a school year together.

Dear Anthony,
The year just
almost gone, and I hope
we know it, you will
be moving on into someone
else's class. I hope that in
the days of your work, you
will be very careful always to
keep the potential
to make your grades, but I have
to get lazy. I am counting on you
to keep up with all the
work you are going to do
this year and that
you are going to keep
up with all the work I do
and keep you
always.

7. Weatherstrip doors and windows. Caulk cracks.

Window Units

Follow above suggestions, plus these:

8. Place unit where it'll get as little direct sun as possible.
9. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.

Captains Eric Moore, Justin Wilson, William Cash, Billy O'Daniel, and Lewis Williams show off the 6AAA football championship trophy.

Congratulations to the '77-'78 WHS Football team. The Indians were District Co-Champs this year, compiling a fine 8-2 record. Over the season, the Mean Green put 300 points on the board (12 of which were scored by the specialty team), while the opposing teams scored a total of 193 points. The Indians had a very rewarding season. This is the beginning of a winning tradition for the MEAN GREEN INDIANS!

Acknowledgments

"Reflections" can be accomplished in many, various ways, but a reflection of a high school year is most often accomplished through the yearbook. A yearbook is forever, and in the years to come as you reflect upon the 1977-78 school year, we know you will turn often to the pages of this book. We have attempted to preserve for you the history of a school year which is unique and interesting. We could not have accomplished this task without the help of many people.

First of all, we wish to thank you, the student body of WHS, for it is for you and because of you that this book exists. We hope that each of you will enjoy some aspect of our effort, for you are our most important critic. If you are pleased with this work, then we have accomplished what we set out to do.

We also would like to thank our administration and faculty for their kind, understanding patience as we worked on this book.

We express thanks to Mr. and Mrs. R. B. Barger for allowing us to photograph class favorites in their beautiful home.

We would like to express a very special thanks to Mr. Hubert Davis, upon whom this year, as always, we depended so much.

We acknowledge with appreciation the class pictures submitted by Henington Studio, The Wright Studio, and the Photographer's Company.

We are grateful to Mr. Allen Otto and the Henington Publishing Company for providing us with helpful guidance during the days that have preceded this one.

It is our hope that the moments captured in this book will make it possible for you to reflect with pleasure upon this school year we have shared together. Happy memories make for a brighter future!

With best wishes to all,
